

2020 Dietary Guidelines Advisory Committee

Chair Remarks

Barbara Schneeman, PhD

[DietaryGuidelines.gov](https://www.dietaryguidelines.gov)

Meeting 3: Purpose

- Describe the status and provide updates on the work of the subcommittees for full Committee discussion and decisions
 - Subcommittees review evidence and provide advice to the parent Committee
 - Each subcommittee conducts its work together between meetings of the full Committee
 - All decisions are made by the full Committee at its meetings, which are all public
- Updates to be discussed include:
 - Substantive updates to the 40 protocols discussed at Meeting 2
 - Discussion and deliberation on 19 new protocols
 - Update on review of evidence underway
 - Most findings are still to come
