Next Steps

Data Analysis

**Food Pattern
Modeling**

**NESR
Systematic Reviews**

- Subcommittees will complete their review of the evidence informed by the discussion at this meeting
- NESR systematic reviews will undergo peer-review
- Committee will draft report

NESR Systematic Reviews: Peer-Review

- After the evidence is discussed by the Committee at public meetings, NESR systematic reviews will go through peer-review
 - First round of peer-review occurred after Meeting 3
 - Final round will occur after this meeting
- Peer-review is being coordinated by USDA's Agricultural Research Service
- Draft conclusion statements will be posted online after peer-review is completed
